

BUSINESS INTERRUPTION (CONSEQUENTIAL LOSS) INSURANCE

Barkat & Co. structures Business Interruption (Consequential Loss) Insurance to protect your enterprise against financial loss of gross profits and fixed overheads during operational downtime.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Gross Profit & Overhead Analysis:** Calculating net profit, standing charges, wages, and projected revenue streams during business interruptions.
- **Indemnity Period Structuring:** Determining realistic timeframes (e.g., 12 to 24 months) required to rebuild damaged plants and resume full production.
- **Dependent Property Cover:** Advising on extensions covering supply chain disruptions and failure of key utility service providers.
- **Loss Accounting Support:** Assisting forensic accountants and loss adjusters in documenting financial shortfalls during claim events.

KEY BENEFITS FOR ENTERPRISES

ADVANTAGE	OPERATIONAL IMPACT
Cash Flow Stability	Ensures continued payment of salaries, loan interest, and fixed expenses when factory operations halt.
Profit Protection	Compensates for lost net profits that would have been earned had the disaster not occurred.
Business Continuity	Provides financial oxygen necessary to survive prolonged recovery and rebuilding phases.

APPLICATION & ADVISORY PROCESS

- **Financial Audit:** Analyzing past profit and loss statements and fixed cost structures.
- **Indemnity Setting:** Establishing optimal indemnity periods and maximum indemnity limits.
- **Policy Placement:** Integrating consequential loss wording seamlessly with underlying property policies.
- **Claim Management:** Filing financial loss statements and expediting interim payouts.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. Can Business Interruption insurance be purchased standalone?

No, it is typically issued as an extension or companion policy to a Standard Fire or Industrial All Risk property policy.

2. What expenses are covered during downtime?

Fixed overheads such as rent, employee wages, auditor fees, loan interest, and additional costs incurred to resume operations.
