

INDUSTRIAL ALL RISK & PROPERTY INSURANCE

Barkat & Co. provides comprehensive Industrial All Risk (IAR) advisory, safeguarding manufacturing plants, warehouses, and physical assets against extensive material damage and business interruption.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Asset Valuation & Risk Survey:** Conducting detailed replacement cost valuations of factory buildings, plant machinery, utilities, and raw material inventories.
- **Policy Structuring & Deductibles:** Customizing material damage and business interruption sections to match high-value industrial risk profiles.
- **Peril Coverage Mapping:** Securing protection against fire, lightning, explosion, machinery breakdown, accidental damage, and natural catastrophes.
- **Claim Settlement Assistance:** Managing surveyor appointments, loss quantification, and insurer liaison for prompt payout expeditious.

KEY BENEFITS FOR ENTERPRISES

ADVANTAGE	OPERATIONAL IMPACT
Capital Protection	Shields heavy capital investments and fixed infrastructure against catastrophic loss events.
Comprehensive Scope	Combines standard fire and machinery breakdown into a single seamless all-risk policy wording.
Financial Resilience	Ensures quick asset restoration and continuity of operations following major industrial accidents.

APPLICATION & ADVISORY PROCESS

- **Risk Assessment:** Inspecting plant machinery, safety systems, and historical hazard logs.
- **Underwriting Dossier:** Compiling asset schedules and engineering reports for top-tier insurers.
- **Policy Issuance:** Securing customized IAR contract terms and competitive premium rates.
- **Ongoing Support:** Managing policy endorsements, renewals, and claims advisory.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. What is Industrial All Risk (IAR) Insurance?

A comprehensive insurance policy that covers all physical loss or damage to industrial property unless specifically excluded, combining material damage and business interruption.

2. Why is IAR preferred over Standard Fire Policy?

IAR offers wider coverage by encompassing accidental damage, machinery breakdown, and transit perils under a unified contract.
