

MARINE CARGO & TRANSIT INSURANCE

Barkat & Co. secures robust Marine Cargo and Transit Insurance, protecting your raw materials and finished goods in transit via road, rail, air, or sea against loss, theft, and damage.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Transit Route & Mode Audit:** Evaluating domestic and international shipping corridors, carrier reliability, and multimodal transport risks.
- **Open Cover & Turnover Policy:** Setting up open Marine Open Policies (MOP) or annual turnover policies for seamless dispatches.
- **Institute Cargo Clauses (ICC):** Structuring coverage under ICC (A), (B), or (C) depending on vulnerability and cargo sensitivity.
- **Survey & Claim Processing:** Coordinating immediate surveyor inspections at ports or transit hubs and expediting claim recoveries.

KEY BENEFITS FOR ENTERPRISES

ADVANTAGE	OPERATIONAL IMPACT
Supply Chain Security	Secures financial integrity of raw material inflows and finished product dispatches globally.
Seamless Open Covers	Automates transit declarations without requiring individual policy issuance for every shipment.
Global Acceptance	Provides internationally recognized insurance documentation accepted by banks and customs.

APPLICATION & ADVISORY PROCESS

- **Dispatch Analysis:** Reviewing annual freight turnover, modes of transport, and packing methods.
- **Policy Structuring:** Drafting open cover agreements with appropriate transit deductibles.
- **Certificate Generation:** Issuing transit certificates for individual dispatches as needed.
- **Loss Recovery:** Filing transit damage claims with carriers and underwriters.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. What does Institute Cargo Clause (A) cover?

ICC (A) provides 'All Risks' coverage against physical loss or damage to cargo from any external cause during transit, subject to standard exclusions.

2. Is transit insurance mandatory for commercial dispatches?

While not legally mandatory for all domestic shipments, it is essential risk management and required by lenders financing goods in transit.
