

PUBLIC & PRODUCT LIABILITY INSURANCE

Barkat & Co. delivers Public and Product Liability insurance advisory, safeguarding your company's reputation and financial stability against third-party bodily injury, property damage, and defects.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Liability Exposure Assessment:** Analyzing manufacturing processes, product distribution footprints, and public-facing premises risks.
- **Limit of Indemnity Structuring:** Determining optimal Any One Accident (AOA) and Any One Year (AOY) aggregate liability limits.
- **Defective Product Coverage:** Structuring extensions for manufacturing defects, labelling errors, and sudden contamination events.
- **Legal Defense Cost Coverage:** Indemnifying substantial court expenses, legal fees, and out-of-court settlement negotiations.

APPLICATION & ADVISORY PROCESS

- **Risk Review:** Evaluating product lines, QA protocols, and export destinations.
- **Quote Comparison:** Securing competitive terms from specialized liability underwriters.
- **Policy Placement:** Finalizing public and product liability contract wordings.
- **Claim Defense:** Coordinating legal defense and expert witness representation during claims.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. What is the difference between Public and Product Liability?

Public liability covers third-party injuries or property damage occurring on your premises, while product liability covers damages arising from defective products after they have left your control.

2. Are legal defense costs covered in addition to indemnity limits?

Most policies cover defense costs either within or in addition to the aggregate limit depending on the policy wording negotiated.
