

STANDARD FIRE & SPECIAL PERILS POLICY

Barkat & Co. assists industrial units in securing robust Standard Fire & Special Perils coverage, protecting buildings, plant machinery, and stocks against destructive elemental and accidental hazards.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Sum Insured Calculation:** Evaluating reinstatement values for buildings, machinery, furniture, and raw material/finished goods stocks.
- **Peril Extension Advisory:** Incorporating vital add-on covers such as spontaneous combustion, impact damage, subsidence, and storm/tempest.
- **Risk Inspection & Mitigation:** Recommending fire safety improvements, hydrant placement, and electrical audit compliance to lower premiums.
- **Documentation & Underwriting:** Preparing proposal forms, previous claim history reports, and asset inventory schedules.

KEY BENEFITS FOR ENTERPRISES

ADVANTAGE	OPERATIONAL IMPACT
Baseline Security	Essential mandatory coverage protecting manufacturing units against catastrophic fire and explosion losses.
Inventory Protection	Safeguards raw materials, work-in-progress, and finished goods against stock-piling destruction risks.
Statutory Compliance	Satisfies financial lender and collateral requirements for industrial term loans and working capital.

APPLICATION & ADVISORY PROCESS

- **Inventory Audit:** Quantifying physical assets and stock turnover values.
- **Policy Customization:** Selecting appropriate standard clauses and special peril extensions.
- **Insurer Negotiation:** Securing optimal premium quotations from leading general insurers.
- **Finalization:** Issuing policy schedules and endorsing asset additions promptly.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. What perils are covered under Standard Fire Policy?

Fire, lightning, explosion/implosion, aircraft damage, riot, strike, storm, cyclone, typhoon, tempest, flood, inundation, and impact damage.

2. Are stocks covered on a fluctuating basis?

Yes, fluctuating stock declarations are available for businesses with seasonal inventory variations.
