

BALANCE TRANSFER (BT) & TOP-UP (TP)

Barkat & Co. streamlines Balance Transfer (BT) and Top-Up (TP) facilities, refinancing existing high-cost commercial and industrial loans to lower interest lenders while injecting crucial liquidity for business expansion.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Existing Loan Audit:** Analyzing current interest rates, remaining tenures, and prepayment penalties across institutional lenders.
- **Lender Benchmarking:** Negotiating with top-tier banks and NBFCs to secure lower interest rate slabs and superior repayment terms.
- **Top-Up Liquidity Structuring:** Securing additional unsecured or collateralized top-up loans against existing property or machinery equity.
- **Refinancing Execution:** Managing takeover documentation, mortgage creation, and closure of legacy high-interest debt accounts.

KEY BENEFITS FOR ENTERPRISES

ADVANTAGE	OPERATIONAL IMPACT
EMI Reduction	Substantially lowers monthly debt servicing burdens through reduced interest rates and extended tenures.
Capital Injection	Unlocks valuable equity from existing assets to fund working capital and business expansion.
Improved Cash Flow	Optimizes debt service coverage ratios (DSCR) and enhances overall financial liquidity.

APPLICATION & ADVISORY PROCESS

- **Portfolio Review:** Assessing active loan statements and collateral valuations.
- **Sanction Negotiation:** Filing balance transfer dossiers with competitive financial institutions.
- **Takeover & Closure:** Clearing legacy loan accounts and transferring security charges.
- **Disbursement:** Securing top-up liquidity tranches for operational deployment.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. What are the primary benefits of a Balance Transfer?

Lower interest rates, reduced EMI, potential top-up loans for cash flow, and better customer service from new lenders.

2. Are there processing fees for balance transfers?

Banks typically charge nominal processing and legal valuation fees, which are often offset by long-term interest savings.
