

REAL ESTATE PROJECT FINANCING

Barkat & Co. structures construction finance, developer loans, and land collaboration funding to accelerate real estate execution from foundation to occupancy certificates.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Construction Finance Structuring:** Securing tranche-based builder loans tied to construction milestones and RERA compliance.
- **Developer & Mezzanine Funding:** Arranging growth capital and bridge financing for land acquisition and project approvals.
- **Escrow & Cash Flow Monitoring:** Establishing transparent escrow mechanisms to satisfy institutional lender governance standards.
- **Collaboration Funding:** Structuring joint development and landowner financing models for real estate builders.

KEY BENEFITS FOR ENTERPRISES

ADVANTAGE	OPERATIONAL IMPACT
Uninterrupted Construction	Ensures steady capital flow to complete structural and finishing work without liquidity stalls.
RERA Alignment	Structures funding models that comply fully with regulatory real estate transparency mandates.
Accelerated Delivery	Speeds up project completion, enabling faster unit sales and customer handovers.

APPLICATION & ADVISORY PROCESS

- **Project Review:** Evaluating RERA registrations, land titles, and architectural approvals.
- **Tranche Modeling:** Establishing fund release schedules based on construction progress reports.
- **Underwriting:** Securing approvals from specialized real estate funds and banking institutions.
- **Disbursement & Monitoring:** Managing milestone inspections and phased capital drawdowns.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. What prerequisites are needed for real estate project financing?

Valid RERA registration, clear land titles, approved building plans, and a proven developer track record.

2. How are construction loans disbursed?

Disbursements are made in phased tranches linked directly to verified physical construction milestones on site.
