

ROI DEDUCTION & RATE OPTIMIZATION

Barkat & Co. executes rigorous interest rate benchmarking, loan restructuring, and banking negotiations to substantially lower overall borrowing costs and interest outgo.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Debt Cost Benchmarking:** Comparing active loan interest rates against prevailing market benchmarks (MCLR, Repo rate linked spreads).
- **Loan Restructuring & Repricing:** Negotiating rate reductions and spread markdowns with existing lenders based on improved credit profiles.
- **Multi-Loan Consolidation:** Merging multiple high-interest scattered debts into a single low-cost structured facility.
- **External Refinancing:** Shifting debt portfolios to aggressive competing lenders offering lower interest rate slabs.

KEY BENEFITS FOR ENTERPRISES

ADVANTAGE	OPERATIONAL IMPACT
Substantial Savings	Significantly reduces total interest outgo over the remaining loan lifespan, boosting net profitability.
Improved Cash Flow	Lowers monthly debt servicing obligations, freeing up capital for strategic investments.
