

CHANGE IN LAND USE (CLU) APPROVAL

Barkat & Co. streamlines your Change in Land Use (CLU) process, expertly guiding you through regulatory approvals and ensuring full compliance to unlock the complete commercial potential of your property across Haryana.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Regulatory Analysis:** Conducting comprehensive assessments of zoning ordinances and land use regulations to identify optimization opportunities.
- **Feasibility Studies:** Evaluating project viability considering market demand, economic impact, and environmental constraints.
- **Stakeholder Engagement:** Facilitating engagement with local communities, regulatory bodies, and advocacy groups.
- **Planning & Design:** Delivering tailored layout solutions to maximize land utilization and sustainable development.
- **Permitting & Compliance:** Navigating complex statutory requirements to secure timely CLU approvals.
- **Environmental Impact Assessment:** Evaluating ecological consequences and establishing mitigation measures.
- **Legal Support:** Providing advocacy and dispute resolution to ensure full adherence to applicable laws.
