

HAZARDOUS WASTE MANAGEMENT NOC

Barkat & Co. assists industrial units in obtaining mandatory Hazardous Waste Management Authorizations under the Hazardous and Other Wastes Rules, ensuring legally compliant disposal.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Waste Inventory Audit:** Identifying and quantifying hazardous waste streams generated from industrial manufacturing processes.
- **Storage & Handling Setup:** Designing compliant on-site storage facilities with leak-proof containment and proper labeling.
- **Authorized Disposal Tie-ups:** Facilitating formal agreements with HSPCB-approved Common Hazardous Waste Treatment, Storage and Disposal Facilities (CHWTSDF).
- **Authorization Filing:** Preparing and submitting comprehensive authorization dossiers through the online OCMMS portal.
- **Manifest & Logbook Support:** Implementing statutory Form 10 hazardous waste manifests and electronic record-keeping systems.

KEY BENEFITS FOR ENTERPRISES

ADVANTAGE	OPERATIONAL IMPACT
Regulatory Compliance	Fully protects enterprises from heavy penalties and criminal liabilities under environmental protection acts.
Safe Operations	Mitigates environmental contamination risks and occupational workplace hazards.
Seamless Audits	Ensures hassle-free annual returns filing and inspection readiness for pollution control boards.

APPLICATION & ADVISORY PROCESS

- **Process & Waste Analysis:** Categorizing hazardous byproducts and estimating annual generation volumes.
- **Disposal Facility Partnership:** Securing certified TSDF acceptance letters for safe waste off-take.
- **Application Submission:** Filing authorization forms with HSPCB with technical specifications.
- **Authorization Grant:** Receiving the official Hazardous Waste Management Authorization certificate.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. Who needs Hazardous Waste Authorization?

Any industry or manufacturing unit that generates, stores, treats, or disposes of hazardous waste as defined under HSPCB regulations.

2. What records must be maintained?

Industries must maintain daily logbooks of waste generation, storage inventories, and Form 10 shipping manifests for authorized disposal.
