

## INDUSTRIAL PLOTTED COLONY LICENSING SERVICES

Barkat & Co. provides end-to-end consulting for establishing Industrial Plotted Colonies under Haryana Town and Country Planning policies, navigating complex statutory approvals.

### CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Land Feasibility & Zoning:** Evaluating land parcels for industrial use compatibility under current Master Plans and CLU norms.
- **Dossier & Layout Preparation:** Designing master layouts, zoning plans, road networks, and utility infrastructure blueprints.
- **Statutory Fee Management:** Calculating and depositing External Development Charges (EDC), Internal Development Charges (IDC), and license fees.
- **Departmental Liaison:** Coordinating with the Directorate of Town and Country Planning (DTCP) Haryana for rigorous scrutiny.
- **Bank Guarantee & Compliance:** Assisting in submitting required bank guarantees and executing statutory developer agreements.

### KEY BENEFITS FOR ENTERPRISES

| ADVANTAGE                  | OPERATIONAL IMPACT                                                                     |
|----------------------------|----------------------------------------------------------------------------------------|
| Faster Approvals           | Expert navigation through multi-departmental clearances minimizes bureaucratic delays. |
| Maximized Investment Value | Structured planning ensures optimal plot yield and high commercial viability.          |
| Absolute Legal Clarity     | Protects developers from title disputes and regulatory non-compliance penalties.       |

### APPLICATION & ADVISORY PROCESS

- **Title & Land Verification:** Verifying land ownership, revenue records, and encumbrance status.
- **Layout Design & Filing:** Submitting engineering drawings and license applications to DTCP.
- **Fee Assessment & Payment:** Settling statutory charges and bank guarantees.
- **License Grant:** Securing official approval for industrial colony development.

### FREQUENTLY ASKED QUESTIONS (FAQS)

#### 1. What is an Industrial Plotted Colony License?

A legal license issued by DTCP Haryana permitting a developer to subdivide land into industrial plots with dedicated infrastructure.

## 2. Why is professional consultancy essential?

Colony licensing involves intricate engineering scrutiny, financial guarantees, and strict adherence to Haryana development acts requiring expert handling.
