

WAREHOUSING DEVELOPMENT REGISTRATION & APPROVAL

Barkat & Co. offers specialized advisory for warehousing registration and regulatory approvals, enabling seamless logistics operations and negotiable warehouse receipt issuance.

CORE SERVICES & SCOPE OF WORK

Our professional advisory services encompass a complete spectrum of regulatory and planning offerings:

- **Accreditation Support:** Assisting warehouses in securing accreditation certificates from approved Accreditation Agencies.
- **Infrastructure Assessment:** Evaluating storage capacity, scientific preservation standards, fire safety, and security arrangements.
- **Documentation & Filing:** Preparing land ownership deeds, positive net worth certificates, and insurance policies for regulatory submission.
- **WDRA Liaison:** Managing registration applications with the Warehousing Development and Regulatory Authority (WDRA).
- **Compliance Advisory:** Ensuring adherence to storage bylaws, stock accounting, and standard operating procedures.

KEY BENEFITS FOR ENTERPRISES

ADVANTAGE	OPERATIONAL IMPACT
Negotiable Receipts (NWR)	Empowers warehouses to issue NWRs, facilitating farmer financing and institutional credit.
Market Credibility	Official registration boosts institutional trust and attracts major commercial logistics contracts.
Operational Safety	Ensures robust risk management through mandatory insurance and scientific storage protocols.

APPLICATION & ADVISORY PROCESS

- **Facility Audit:** Inspecting warehouse infrastructure and safety compliance.
- **Accreditation Inspection:** Facilitating inspection by authorized accreditation agencies.
- **Application Submission:** Filing registration paperwork and security deposits with the authority.
- **Registration Grant:** Securing official approval and warehouse registration certification.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. Who requires warehousing registration?

Any entity carrying on warehousing business intending to issue Negotiable Warehouse Receipts must register with the WDRA.

2. What are the key prerequisites for registration?

Proof of land ownership or lease, fire safety clearance, valid insurance policies, and an accreditation certificate.
