

AMENDED TECHNOLOGY UPGRADATION FUND SCHEME (ATUFS)

Initiated by the Ministry of Textiles, Government of India under the "Make in India" initiative, ATUFS provides credit-linked Capital Investment Subsidy (CIS) to accelerate technological modernization, boost export capability, and achieve "Zero Defect, Zero Effect" manufacturing across India's textile sector.

QUANTUM OF ASSISTANCE & SUBSIDY STRUCTURE

TEXTILE SEGMENT / ACTIVITY	CAPITAL INVESTMENT SUBSIDY (CIS)	MAXIMUM CAP LIMIT
Garmenting & Technical Textiles	15% of basic machinery cost	Up to ₹30 Crore
Shuttle-less Looms, Processing, Jute, Silk & Handloom	10% of basic machinery cost	Up to ₹20 Crore
Composite Units	15% (if Garmenting/Technical >50% cost) 10% (if Garmenting/Technical <50% cost)	Up to applicable cap limits

ELIGIBILITY CRITERIA & CREDIT LINKAGE MANDATE

- **Eligible Entities:** Companies registered under the Companies Act, LLPs, MSMEs, and units possessing an Industrial Entrepreneur Memorandum (IEM).
- **Credit Linkage Mandatory:** Entities must secure a term loan covering at least **50% of the total eligible machinery cost** from a notified lending agency.
- **Machinery Specifications:** Applicable for acquiring brand new, state-of-the-art machinery benchmarked by the Technical Advisory-cum-Monitoring Committee (TAMC).
- **Disbursement Terms:** Released in full as a single installment following installation, commissioning, and commencement of commercial production.

APPLICATION PROCESS & EXECUTION WORKFLOW

Digital Submission: Applications and project reports must be submitted electronically through the web portal of the Office of the Textile Commissioner prior to machinery procurement.

ROLE OF BARKAT & CO.

Barkat & Co. ensures end-to-end mission accomplishment—assessing TAMC machinery compliance, structuring credit-linked term loan applications, managing portal registrations, and conducting liaisoning with the Textile Commissioner's office for single-installment release.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. What is the Amended Technology Upgradation Fund Scheme (ATUFS)?

A credit-linked central government scheme providing 10% to 15% Capital Investment Subsidy (CIS) for technology upgradation in textiles.

2. What is the maximum subsidy cap under ATUFS?

Up to ₹30 Crore for Garmenting & Technical Textiles (15% rate) and up to ₹20 Crore for weaving/processing segments (10% rate).

3. Is a term loan mandatory to claim the subsidy?

Yes, ATUFS is credit-linked and requires a term loan covering at least 50% of the eligible machinery cost from a notified financial institution.
