

NET SGST REIMBURSEMENT SCHEME (HARYANA EV POLICY-2022)

Under the **Haryana Electric Vehicle Policy-2022**, this scheme bolsters EV manufacturing by providing substantial tax reimbursements on Net State Goods and Services Tax (SGST) to establish Haryana as a premier global EV production hub.

QUANTUM OF ASSISTANCE & REIMBURSEMENT STRUCTURE

PROJECT CATEGORY	REIMBURSEMENT RATE & DURATION	INVESTMENT CAP / CEILING
Standard EV Manufacturers (Vehicles, Components & Batteries)	50% of applicable Net SGST	For 10 years or until Fixed Capital Investment (FCI) realization
Mega Projects with Inverted Duties	Investment subsidy up to 5% of FCI	For 8 years (Ceiling: ₹5.00 Crore per annum)

ELIGIBLE CRITERIA & COMPLIANCE MANDATES

- **Target Sectors:** Manufacturers of electric vehicles, major EV components, and batteries.
- **Operational Compliance:** Units must maintain separate GST registration for core manufacturing activities and meet minimum investment benchmarks in land, building, and machinery.
- **Exclusions:** Units listed on the state’s restrictive list or misrepresenting inter-state supplies as intra-state are strictly ineligible.

APPLICATION PROCESS & EXECUTION WORKFLOW

Filing Protocol: Applications must be submitted via the Department of Industries & Commerce online portal within **three months of the end of the financial year** or scheme notification date, backed by SGST payments reconciled with GST returns.
