

PURCHASE INCENTIVES TO BUYERS OF ELECTRIC VEHICLES

Under the Haryana Electric Vehicle Policy 2022, the state government provides direct purchase incentives to lower upfront vehicle acquisition costs. Barkat & Co. delivers expert advisory and filing support to maximize financial incentives for EV buyers across Haryana.

OBJECTIVES AND QUANTUM OF ASSISTANCE

The scheme stimulates demand and accelerates the transition to sustainable electric mobility by providing direct purchase subsidies tailored across vehicle categories.

VEHICLE CATEGORY & TYPE	INCENTIVE QUANTUM & SUBSIDY DETAILS	TARGET ALLOCATION LIMIT
Electric Cars / Light EVs (BEV/ FCEV)	Up to ₹10 Lakh	First 1,000 units
Hybrid Electric Cars / Light EVs (SHEV/PHEV)	Up to ₹5 Lakh	First 200 units
Electric Tractors	50% of ex-showroom price (Up to ₹5 Lakh)	First 1,000 units
Electric Buses	10% of ex-showroom price (Up to ₹10 Lakh)	First 200 units (with special government provisions)

ELIGIBILITY CRITERIA AND QUALIFYING CONDITIONS

- **Eligible Buyers:** Individual purchasers registering their electric vehicle within the state of Haryana (limited to one vehicle per buyer).
- **Exclusions:** Applicants must not have availed or claimed purchase incentives from other state or central government schemes for the same vehicle.
- **Timeline Compliance:** Claims must be formally submitted within 45 days of vehicle registration.

APPLICATION & DOCUMENTATION REQUIREMENTS

- Mandatory online application filing through the Department of Industries & Commerce, Haryana portal.
- Valid Vehicle Registration Certificate (RC) and original purchase invoice/memo.
- KYC verification documents, including [ID Redacted], and a cancelled cheque for direct bank transfer.

ROLE OF BARKAT & CO. IN EV INCENTIVE SUCCESS

We provide complete end-to-end support across Haryana, managing buyer eligibility assessments, documentation preparation, portal application filing, liaison with government authorities, and swift incentive disbursement.

1. What is the Purchase Incentives to Buyers of EVs scheme?

A flagship Haryana Policy 2022 initiative offering direct purchase subsidies to lower upfront acquisition barriers for electric vehicles.

2. Who is eligible to claim the purchase incentive?

Individual buyers registering their EV in Haryana who have not claimed duplicate subsidies under other government schemes.

3. What are the submission timelines for claims?

Applications must be submitted online within 45 days from the date of vehicle registration.

4. How are applications processed and disbursed?

Processed on a strict first-registered and first-applied basis with direct electronic transfer to the buyer's bank account.

5. How does Barkat & Co. assist buyers?

By providing seamless end-to-end management from eligibility verification and documentation to portal filing and fund realization.
