

R&D INCENTIVES UNDER EV SEGMENT (HARYANA EV POLICY-2022)

Under the **Haryana Electric Vehicle Policy-2022**, this scheme advances research and development in e-mobility, collaborating with educational and research institutions to foster cutting-edge electric vehicle technologies and charging solutions.

QUANTUM OF ASSISTANCE & FUNDING STRUCTURE

BENEFICIARY / PROJECT CATEGORY	FINANCIAL SUPPORT RATE	MAXIMUM SUBSIDY CEILING
Educational & Research Institutes (Electric Charging Technology)	Up to 50% subsidy on project cost	Up to ₹1.00 Crore
Educational & Research Institutes (New EV Technologies)	Up to 50% subsidy on project cost	Up to ₹5.00 Crores
Specialized R&D Projects (First 10 non-fossil-fuel projects)	Project-based grant support	Up to ₹5.00 Crores per project
Institutional R&D Infrastructure (First 20 colleges, ITIs, polytechnics)	One-time infrastructure grant	₹25.00 Lakhs

ELIGIBLE CRITERIA & COMPLIANCE MANDATES

- **Target Entities:** Higher education institutions, specialized EV/automotive education providers, research centers, colleges, polytechnics, and ITIs in Haryana.
- **Domestic Control:** Projects must be domestically controlled, with over 50% beneficially owned by resident Indian citizens or companies (maintained for 3 years post-claim).
- **Penalty for Misuse:** Misrepresentation or misuse of funds incurs full repayment with **12% compound interest p.a.** and legal action.

APPLICATION PROCESS & QUARTERLY EVALUATION

Filing Protocol: Project proposals must be submitted online to the Department of Industries & Commerce, Haryana, followed by quarterly evaluations and presentations before a State Level Committee.

ROLE OF BARKAT & CO.

Barkat & Co. provides complete execution support—structuring technical R&D project proposals, preparing financial estimates, managing Department of Industries & Commerce portal submissions, and preparing institutions for committee pitch reviews.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. What are the R&D Incentives under the EV segment?

Grants offering up to 50% subsidy (capped at ₹5 Crores) for developing EV and charging technologies in educational and research institutions.

2. Who qualifies for institutional R&D support?

Higher education institutions, universities, colleges, ITIs, and polytechnics in Haryana engaged in e-mobility R&D.

3. What is the review process?

Quarterly evaluations and project presentations reviewed by a State Level Committee appointed by the Department of Industries & Commerce.
