

SEED AND CONVERSION FUND SCHEME (HARYANA EV POLICY-2022)

Under the **Haryana Electric Vehicle Policy-2022**, this scheme supports existing manufacturing units transitioning to electric vehicle (EV), EV component, or EV battery production to strengthen the e-mobility manufacturing ecosystem in Haryana.

QUANTUM OF ASSISTANCE & SUBSIDY STRUCTURE

ASSISTANCE PARAMETER	SUBSIDY CALCULATION RATE	MAXIMUM SUBSIDY CEILING
Conversion Subsidy Grant (Plant & Machinery Book Value)	25% of the book value of plant & machinery	Up to ₹2.00 Crores (Distributed on a first-come, first-served basis)
Penalty for Misrepresentation	Full refund + 12% compound interest p.a.	Legal action & permanent exclusion from future state incentives

ELIGIBLE CRITERIA & COMPLIANCE MANDATES

- **Target Beneficiaries:** Micro, small, medium, and large enterprises converting operations to EV, EV component, or EV battery manufacturing (BEV / FCEV).
- **Mandatory Registrations:** Valid Udyam Registration Certificate and compliance with industrial zoning in designated blocks (A to D).
- **Special Mandates:** Large enterprises must establish dedicated battery disposal or recycling facilities. Applications must be filed within three months of starting commercial production post-conversion.

APPLICATION PROCESS & EXECUTION WORKFLOW

Filing Protocol: Applications must be submitted online via the official Department of Industries & Commerce portal on a first-come, first-served basis, supported by financial statements and conversion declarations.

ROLE OF BARKAT & CO.

Barkat & Co. provides complete execution support—auditing machinery book values, managing Department of Industries & Commerce portal filings, and securing timely seed and conversion fund disbursements.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. What is the Seed and Conversion Fund?

A one-time subsidy (25% of plant & machinery book value, capped at ₹2 Crores) supporting manufacturers transitioning to EV, component, or battery production.

2. Who is eligible to apply?

Micro, small, medium, and large enterprises in Haryana converting existing lines to EV, BEV, or FCEV manufacturing.

3. What is the application deadline?

Within three months from the commencement of commercial production after conversion via the online state portal.
