

TESTING MACHINE / EQUIPMENT ASSISTANCE SCHEME

Notified under the Haryana Enterprises & Employment Policy (HEEP-2020) on June 8, 2021, the Testing Equipment Assistance Scheme supports Micro, Small, and Medium Enterprises (MSMEs) across Haryana in acquiring advanced testing apparatus to ensure "Zero Defect" product quality and enhance global competitiveness.

QUANTUM OF ASSISTANCE & SUBSIDY STRUCTURE

ELIGIBLE ENTERPRISE SCOPE	SUBSIDY SUPPORT RATE	MAXIMUM FINANCIAL CAP
MSMEs across Haryana (New & Existing Ventures)	50% of the cost of new testing equipment	Up to ₹20 Lakhs per year

ELIGIBILITY CRITERIA & CONDITIONS

- **Enterprise Status:** Must be registered as an MSME under Udyam and operating in regular commercial production.
- **Location & Scope:** Open to enterprises across the entire state of Haryana (not restricted to specific regional blocks). Units must not be on the state's restrictive list.
- **Asset Condition:** Applicable strictly for the purchase of **brand new testing equipment**.
- **Lock-in Period:** Acquired testing equipment must not be disposed of for a minimum of **five years** from the date of purchase.

APPLICATION PROCESS & TIMELINES

Time Limit: Applications must be submitted via the department's web portal within **three months** of purchasing the testing equipment or from the scheme notification date, whichever is later.

Mandatory Documentation:

- Udyam Registration Certificate (URC).
- Proof of incorporation / registration.
- Original purchase invoices and payment receipts.
- Scrutiny and verification records by district MSME officials.

GOVERNANCE, PENALTIES & APPEALS

- **Competent Authority:** Additional Director of the Department of Industries and Commerce.
- **Appellate Authority:** Director/Director General of MSMEs and the Administrative Secretary of Industries & Commerce.
- **Penalties:** Fraudulent claims or misrepresentation invite strict penalties, including subsidy recovery with interest and disqualification from future state incentives.

FREQUENTLY ASKED QUESTIONS (FAQS)

1. What is the Testing Equipment Assistance Scheme in Haryana?

It provides financial support to MSMEs for purchasing testing equipment to ensure zero defects, offering a 50% subsidy up to ₹20 Lakhs per year.

2. Who is eligible for this scheme?

Registered MSMEs across Haryana in regular commercial production that meet state guidelines and investment criteria.

3. What is the application deadline?

Applications must be submitted on the web portal within three months of equipment purchase or scheme notification.

4. Can second-hand testing equipment be subsidized?

No, the subsidy applies strictly to brand new testing equipment.
